[Rebecca Kronman, Curtis Bashaw] [Brooke Geahan]

**Details:** Jay McInerney, noted author and wine authority, hosted a wine tasting event at the recently completed penthouse model unit of the Watchcase building in Sag Harbor. The event began with Jay conducting a tasting of rosés: Provence vs. Long Island. Guests enjoyed the tastings of four different wines, served blind in numbered bottles, two from Long Island and two from Provence. A friendly competition between France and the East End made for an exciting evening.
